

Jewell Station Precinct Development

Access through station precinct

From 8 January 2020

Diversion for pedestrians

A diversion is in place via Union Street and Wilson Avenue for pedestrians accessing the city-bound platform from the north.

Please allow an extra two minutes to walk to the station.

Diversion for cyclists

The Upfield shared user path continues to divert via the western side of the Jewell Station precinct through Watson Street, until further notice.

Please take extra care when crossing the railway line and watch for pedestrians.

As works continue, everyone passing through the precinct should take extra care and follow all signs in place.

Train timetables are not affected during the works.

Thank you for your patience during construction.
