

## CLARKEFIELD STATION

# Station car park construction

Construction will begin 17 September 2018

### About the works

We are upgrading the car park at Clarkefield Station with 78 car parking spaces and improved accessible parking. During the works the unsealed parking area to the south east of the station building will be closed. Please consider alternative parking arrangements.

These works are part of the Victorian Government's *Road and Rail Minor Works Program*, delivered by VicTrack, to upgrade stations, bus stops and interchanges across regional Victoria.

Thank you for your patience during construction.

### Key

- A) Existing car park
- B) Improved accessible parking
- C) Station building
- D) Platform
- E) New footpath
- F) Upgraded car park - area closed during construction
