

SOUTH GEELONG STATION

Station car park construction

Construction will begin 5 September 2018

About the works

We are upgrading the car park at South Geelong Station with 200 car parking spaces and new accessible parking. During construction the unsealed parking area near Swanston Street will be closed.

Other all day parking options include Marshall Station, Richmond Oval and Kardinia Park

These works are part of the Victorian Government's *Road and Rail Minor Works Program*, delivered by VicTrack, to upgrade stations, bus stops and interchanges across regional Victoria.

Thank you for your patience during construction.

Key

- A) Improved accessible parking
- B) Upgraded car park - area closed during construction
- C) New pedestrian access
- D) Other all day parking option during construction
