

KOO WEE RUP

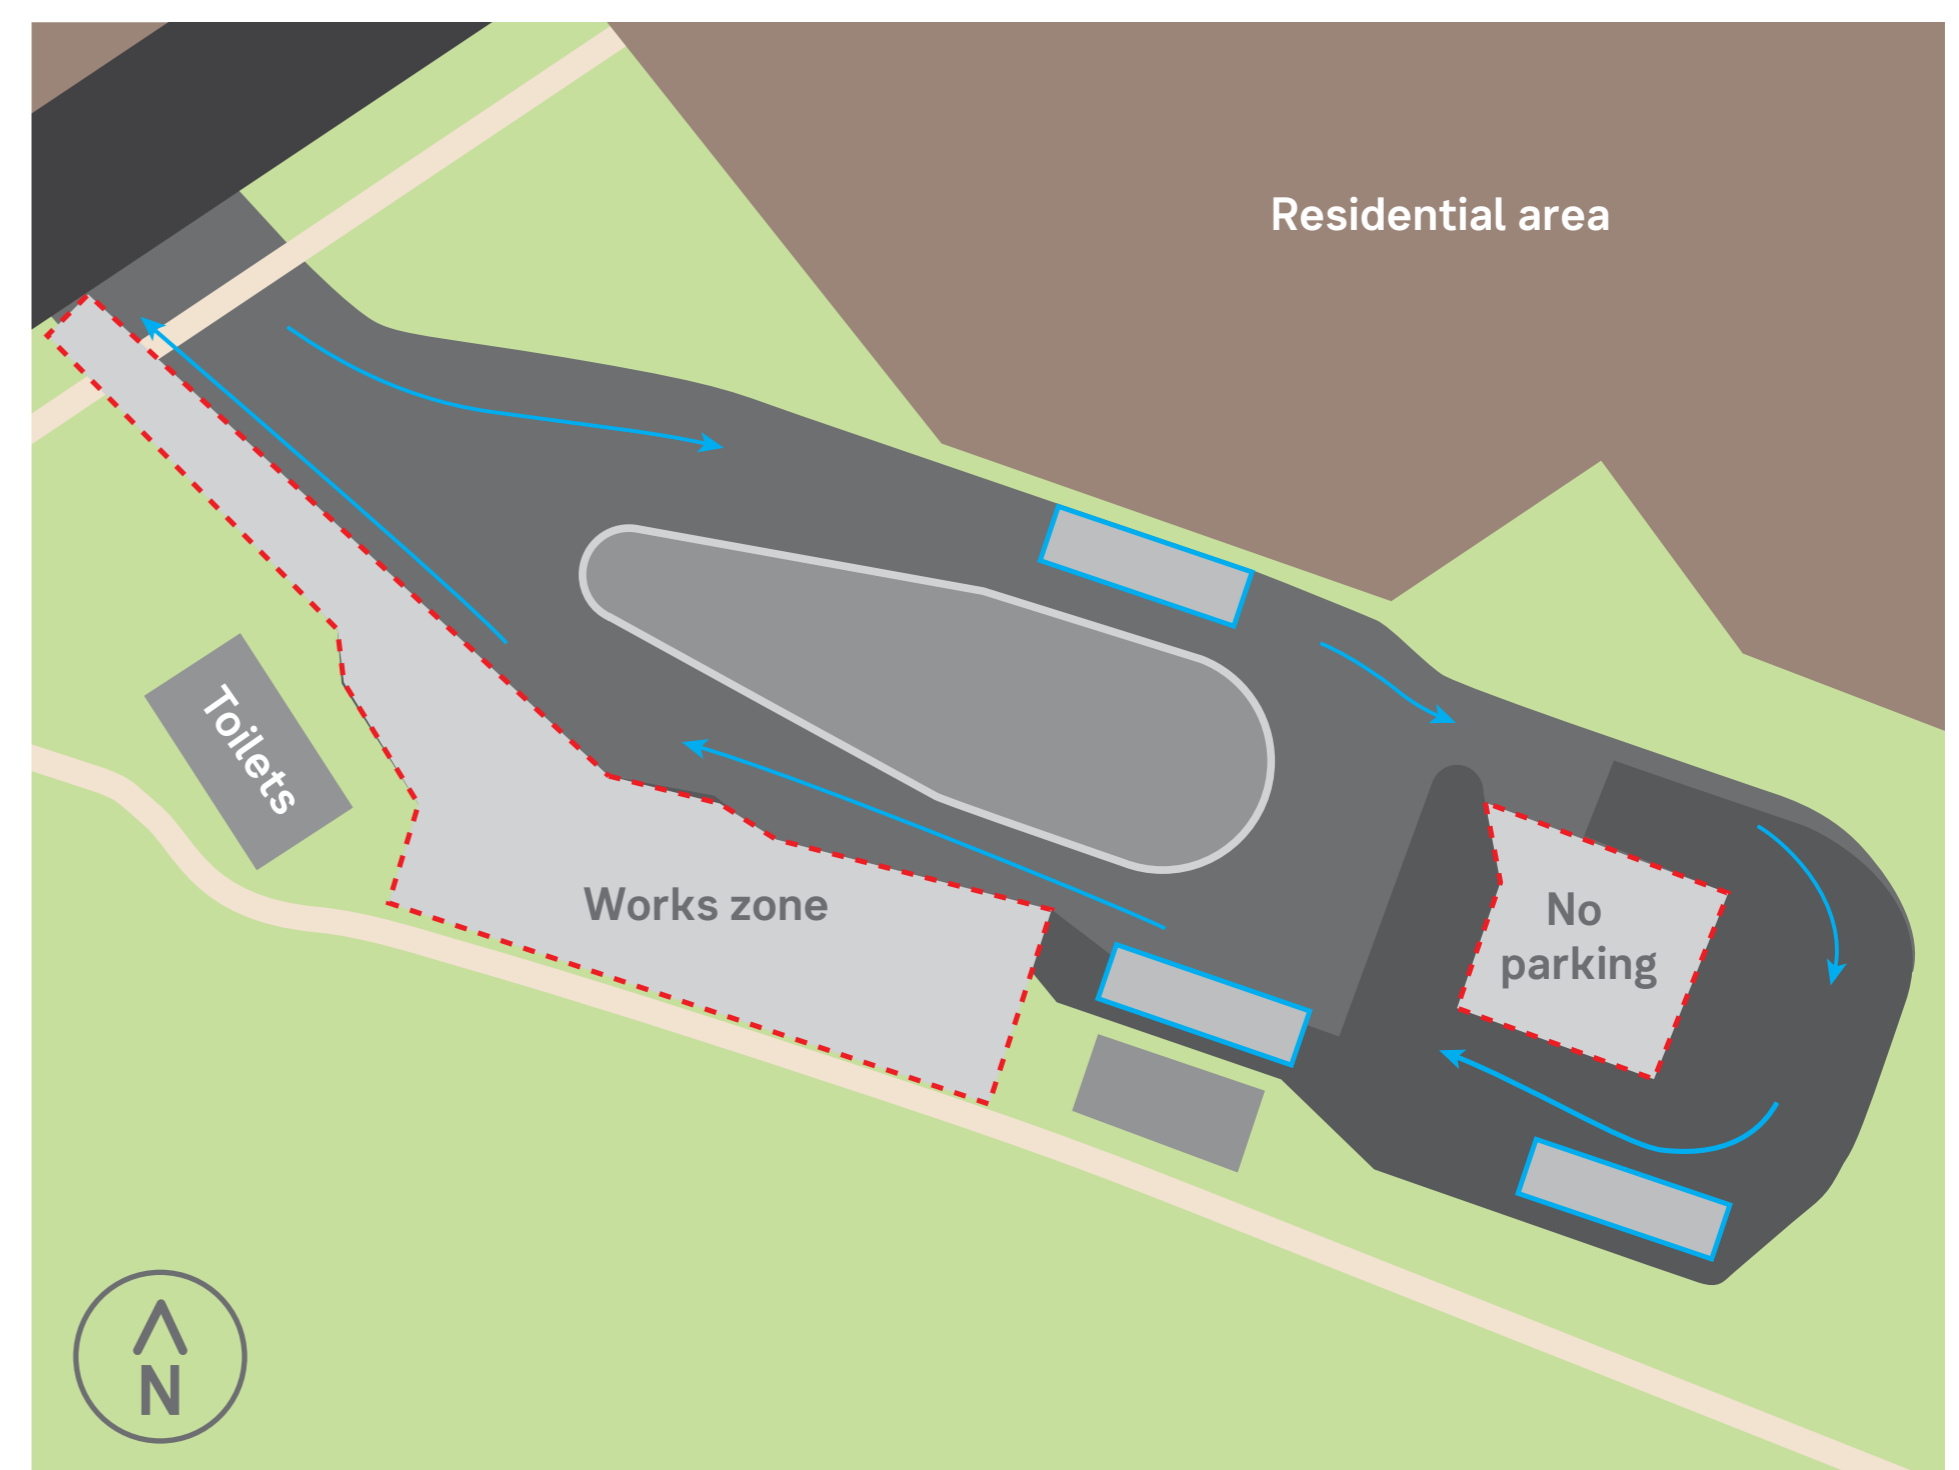

# Bus interchange construction

Construction will begin mid-March 2019

Stage 1

Stage 2

We are upgrading the Koo Wee Rup bus interchange to make it safer and easier to use. We are also replacing the existing shelter with three new bus shelters.

## About the works

During the works, bus services will operate as normal, but your bus may depart from a different location so please follow the signs. The car park will be closed and a temporary car park is available via Mickle Street.

The Cardinia Mobile Library will continue to operate every Friday.

These works are part of the Victorian Government's Road and Rail Minor Works Program, delivered by VicTrack, to upgrade stations, bus stops and interchanges across regional Victoria.

Thank you for your patience during the works, and for your safety please follow all signs in place.

# Bus interchange construction

During construction the car park at the bus interchange will be closed.

Temporary parking can be accessed via Alexandra Avenue then Mickle Street.
